

25th Stirling (Dunblane) Boys' Brigade
COMPANY & SENIOR SECTIONS
Membership Agreement – Session 2015/16

PLEASE READ THIS PAGE AND THE ACCOMPANYING INFORMATION PACK CAREFULLY, CONSIDERING ITS CONTENTS, BEFORE SIGNING. THANKS!

Member's name (print) _____

Boys' section:

- I have read the information pack, in particular page 2 regarding expectations and understand what is expected of me as a member of The Boys' Brigade. I understand that:
 - I must attend BB regularly **on both Fridays and Sundays** and that both days are of equal importance. If I am not attending regularly on Sundays, I may not be eligible for competitions, trips, weekends away or other special events and I can expect to have a conversation with a leader to find ways to improve my attendance.
 - I must be respectful towards all BB leaders, who are giving their time willingly as volunteers, and towards my fellow BB members. I will endeavour to speak to all leaders courteously and to use polite language at all times during BB activities, especially when in public.
 - I must not bring with me or use any mobile phone, music player, digital camera or games console during BB on Fridays or Sundays, unless specifically part of a sanctioned activity supervised by a leader. If I am found to be using one of these devices without having handed it in voluntarily at the beginning of the evening, I can expect to be taken home.
 - I must endeavour to look after, prepare and bring all the parts of my uniform to BB each Friday and to wear my uniform smartly and with pride.
 - Volunteering is an important part of BB membership and I will expect to be asked to volunteer to help make BB event better through collecting sponsorship, giving my time willingly and supporting events in which we support the local community.
 - Commitment to BB means that if I sign up for a BB event and something else comes up afterwards, I should maintain my commitment to the BB event, just as BB expects me to honour any existing commitments to other organisations or activities.

Parent/carer section:

- I have read the list of expectations of my son that are a part of BB membership
- In particular, I understand and pledge to actively support the requirement for regular attendance **on both Fridays and Sundays**, being equally important parts of BB membership.
- I understand and value the commitment of the volunteer leaders and will emphasise the importance of similar commitment, respect, volunteering and willing participation to my son throughout this session.
- I understand that my son is not permitted to bring or use electronics, including mobile phones, to BB Friday and Sunday meetings and will do my part in helping to keep these at home.
- I understand the need for me, as a parent, to volunteer my own time by supporting my son at competitions, actively offering to provide transport to events and helping at or attending fundraisers.
