### What does this donation help to cover?

*We are required to pay a per-head fee to BB HQ each year to cover national administration costs, as well as a fee for each leader. The amount also partially covers costs such as training for volunteers, badges that boys will be awarded during the year, public liability insurance cover and equipment and other supplies.*

*The fee in no way covers our complete running costs of over £30,000 per annum, which is why we must continually fundraise and rely on your support for such events throughout the year! Thanks in advance.*
