**Boys' section:**

- I have read the information pack, in particular page 2 regarding expectations and understand what is expected of me as a member of The Boys' Brigade. I understand that:
  - I must attend BB regularly on both Fridays and Sundays and that both days are of equal importance. If I am not attending on Sundays, I may not be eligible for competitions, trips, weekends away or other special events and I can expect to have a conversation with a leader to find ways to improve my attendance.
  - I must be respectful towards all BB leaders and members. I will endeavour to speak to all leaders courteously and to use polite language at all times during BB activities, especially when in public.
  - I must not bring with me or use any mobile phone during BB on Fridays or Sundays, unless specifically part of a sanctioned activity supervised by a leader. If I am found to be using one of these devices, I can expect a parent to be contacted.
  - I must endeavour to look after, prepare and bring all the parts of my uniform to BB each Friday and to wear my uniform smartly and with pride.
  - I will expect to be asked to volunteer to help make BB even better through collecting sponsorship, giving my time willingly and attending events in which we support the local community.
  - I understand that if I sign up for a BB event and something else comes up afterwards, I should maintain my commitment to the BB event, just as BB expects me to honour any existing commitments to other organisations or activities.

**Parent/carer section:**

- I have read the list of expectations of my son that are a part of BB membership
- I understand and will support the requirement for regular attendance on both Fridays and Sundays, being equally important parts of BB membership.
- I understand and value the commitment of the volunteer leaders and will emphasise the importance of similar commitment, respect, volunteering and willing participation to my son throughout this session.
- I understand that my son is not permitted to bring or use electronics, including mobile phones, to BB Friday and Sunday meetings and will do my part in helping to keep these at home.
- I understand the need for me, as a parent, to attend BB on the days I am assigned on the parent rota to be distributed.
- I have read and accept the Subsidy Policy and acknowledge I may be asked to pay an additional charge if the above-named member withdraws from an event after the confirmation deadline.
